After receiving a degree in English language and literature in Seoul and moving to the United States 13 years ago, Christina Oh has quickly risen through the ranks of style-blogging royalty. Oh was recently featured in *InStyle* and can be spotted in past *JEZ* issues after being voted Best Fashion Blogger in Atlanta and showing off her killer closet. Taking care of her three boys keeps her busy, but in her free time, Oh frequents VIP spots like Cherokee Town and Country Club or The St. Regis. Christopher CONFERO

EVENT DESIGNER, CHRISTOPHER CONFERO DESIGN

Age: 30

Originally from: Birmingham, Ala.

Lives in: Midtown

Relationship status: Single

While Christopher Confero loves all things travel, this sweet gentleman always comes back to his Southern roots. In down-home fashion, the Auburn University graduate counts his grandmother, who adopted him as her own when he was just 4 years old, as an inspiration. When he's not executing some of the most fabulous events in the ATL or spending time with family, he's working with The Junior League of Atlanta and NYC-based God's Love We Deliver; dining at The Optimist, Empire State South or JCT. Kitchen & Bar; or traveling. This year alone he's been to Iceland, Seattle, Denver, Los Angeles, Manhattan and Paris. Despite all that international influence, he can't seem to shake where he came from: After a few vodka cocktails his Southern accent comes out in full force, y'all!
